Bodily-sensational Illumination: Wrapped in light

**Sagamiko Illumillion**  
(Sagamiko Resort Pleasure Forest)

Explanation of  
Tourist Attraction

Sagamiko Illumillion is the biggest illumination event in the Kanto region held every year by Sagamiko Resort. This experience-type illumination, which features 6 million beautiful balls of light, is recognized as one of the big three illumination events of Kanto. The place is 50 minutes by car from the center of the Metropolis, and because it has various facilities such as an amusement park, camp and barbecue grounds, and bathing facilities for day trips, anyone and everyone can enjoy themselves.

selling point

There are also plenty of night attractions such as lifts and a Ferris wheel. You can enjoy a mystical experience in which your body is wrapped by the overwhelming radiance of Kanto's largest decorative illumination event.
