Think with your body,
and grow through collaborative creation.

teamLab Future Park

Explanation of
Tourist Attraction

Get creative by moving around and drawing in this digital art space. Color your favorite sea creatures or buildings with crayons and see it come to life in the aquarium or in the town. The space has nine artworks including "Sliding through the Fruit Field", "Sketch Town", and "Sketch Aquarium."

selling point

teamLab has created a space for family fun in "Lalaport Shonan Hiratsuka" alongside the commercial center's restaurants and shopping areas. This permanent teamLab space is one of only four in all of Japan.

Nearby Sightseeing Spot

Hiratsuka City Museum

This is a local museum devoted to the "Nature and Culture of the Sagami River Basin." In addition to the permanent exhibitions, you can also enjoy starry skies in the planetarium. It is also replete with special exhibitions and various courses.

F.Dream Hiratsuka Rental Karting

At this cart circuit, you don't even need a license. Although it's compact at 470m in length, the circuit has a technical layout and is great for experiencing full-scale motor sports.
