Nearby Sightseeing Spot

ME-BYO valley "BIOTOPIA"

1st phase opening in spring 2018 as a key center of Me-byo's strategic area. Visitors can enjoy learning about Me-byo through interactive facilities, as well as dining at the center's Marche Restaurant, which serves healthy meals made using local ingredients.

Hyotan-ike (Gourd-shaped lake)

Oi Town boasts impressive views of Mt. Fuji throughout the year. One of the most spectacular of these is from the area's gourd-shaped lake, which was selected as one of Kanto's Top 100 Views of Mt. Fuji.
