**Mt. Kintoki**  
(For hiking and viewing Mt. Fuji)

Explanation of  
Tourist Attraction

Mt. Kintoki or Mt. Ashigara is located in the northwest of Mt. Hakone. It is one of the highest peaks of Hakone crater (1,213 m) and one of Japan's 300 famous mountains. The northern part of Mt. Kintoki is collectively referred to as Mt. Ashigara. From the summit, the view of Mt. Fuji is wonderful, and you can see Lake Ashinoko which is a caldera lake. You can also observe "Diamond Fuji"(Confirmed observation in May and August) from Mt. Ashigara, when the sun sets at the peak of Mt. Fuji. From the glowing light, it looks like a diamond shining. At the summit there is a monument, best for snap shots with Mt. Fuji in the background!
