Hi, I'm Shota. Thank you for answering the question, "What do you want to do during this summer vacation?" Today, I'm going to talk about our answers. The most popular answer is about sports. Eleven students are going to enjoy playing sports like tennis or soccer. Let's see. The students who want to read a lot of books and the students who want to go to the movies are the same number. Five students are thinking about learning new things. That's great because new experiences will teach us how to think better. Four students hope to visit other countries, and I believe that will make your summer special. Let's talk about our summer memories in September.
