Hiroshi Sugimoto

## Enoura Observatory

### Explanation of Tourist Attraction

A massive landscape, "The Odawara Cultural Foundation Enoura Observatory," in Odawara City, Kanagawa was designed by the modern artist, Hiroshi Sugimoto. It opened in October, 2017, a decade since its conception. With unparalleled landscapes, it is composed of a gallery block where visitors can feel the change of seasons, an outdoor stage, a tea room and more. It is a place where people can reflect on the origin of humanity and art and has gained international focus as a fountain of cultural art. Roughly 100 meters in length, the gallery block features artwork by Hiroshi Sugimoto, and various performances are scheduled for the outdoor stone stage and optical glass stage.
