Hi, I'm Jeff. Today is my last day at Kamome High School. On my first day here, I was surprised to see so many students. This school is very large! There are about eight hundred students here. My school in Australia only has about two hundred students. It was fun to try new things with you. I ate *natto*. I practiced *judo*. I wore a *yukata* during the school festival and that was especially fun! I want to talk about those experiences with my friends in Australia. It's hot in Japan now but it's very different in Australia. When I arrive at the airport in my country, I will need a jacket. In my school in Australia, eighty students take Japanese language class because Japan is popular. Please visit my school and meet my friends in Australia. Thank you.
