

Attention to Visitors

Practice cough etiquette

- If you are coughing or sneezing, you are asked to wear a mask.
- Cover your mouth and nose when coughing or sneezing with a tissue, etc. when a mask is not available.

Wash your hands

- Lather your hands by rubbing them together with the soap. Wash your hands thoroughly.
- Rinse your hands well under clean, running water for at least 20 seconds. Dry your hands using a clean towel.

Use alcohol-based sanitizer

- Apply an alcohol-based sanitizer before entering a building.
