The Prefectural Counseling Services for Foreign Residents (Yokohama, Kawasaki and Ken-o) introduced trio-phone interpretation system to assist communication between the foreign residents and the local/national governments and public institutions.

 You can use the trio-phone interpretation system when you consult on administrative services, and it takes short time for about 10 minutes or so.

[Examples]

- To make a simple inquiry on administrative procedures at the municipal government.
- To make an emergency call to school.

行政窓口、学校など Local Governments, Schools, etc.

- How to use the interpretation system:
- ① Call the Counseling Services from your home telephone or cellphone. (Please refer to P.2 for the phone number.)
- 2 Tell the counselor the person you would like to talk with as well as your message, and then hold on.
- ③ The counselor calls the person on your behalf. Then, you can talk with him/her through interpretation by the counselor.
- Available languages:

 Savan languages inch

Seven languages, including English, Chinese, and Spanish
